COMPANY PROFILE

Crane Industrial Services LLC (CIS) is a joint venture of **Konecranes** and **The Kanoo Group**.

Konecranes is the world leader in manufacturing industrial cranes & equipments, process cranes and harbour & shipyard cranes. Konecranes operates in 50 countries with service depots at more than 626 locations worldwide.

The Kanoo Group has been in operation in the UAE since 1960's with variety of commercial activities including shipping, logistics, travel, machinery and several joint ventures with multinational brands.

At Crane Industrial Services (CIS) we are committed to provide our customers with services that satisfy the highest standards for their service requirements that satisfy the most demanding criteria for Reliability and Efficiency.

We are located at the same building where The Kanoo Group (Sheik Khalifa Bin Zayed road in Karama)

As part of Konecranes we are specialized in advanced overhead lifting solutions and cost effective, proactive maintenance programmes, each geared to the special needs of the industries we serve.

Our main business lines:

- Light Lifting Equipments
- Industrial Cranes & Equipments
- Process Cranes
- Special & Very Large Cranes
- Supply of spare parts
- Maintenance Services
- Modernization and relocation of cranes

We wish to be your partner supplier for all your overhead material handling requirements and want to excel in our dedication to serve you and try to be a partner in your development at all time.

.....the people who **LIFT** the LOAD for you

*A joint venture of **Konecranes** / **The Kanoo Group***
